

Product Purchasing Options

Limmer Education is committed to helping students pass their certification exams by providing quality educational apps at an affordable price and offering varying levels of adoption of apps into your classroom.

INSTITUTIONAL

Purchase apps for your students through your department budget and receive a bulk discount. Educators will also receive:

- FREE course setup and access to the educator dashboard for monitoring student activity including overall classroom statistics and diagnostic scoring of tests
- Unlimited phone and email support
- FREE apps for educators

We work with bookstores to allow students to purchase apps using financial aid.

Pearson/Brady Customers can also bundle Review and Audio apps with their book purchases. Contact your Sales Rep for more details.

STUDENT DISCOUNT

Students use a discount code to purchase apps at a 15% discount. Educators will also receive:

- FREE course setup and access to the educator dashboard for monitoring student activity including overall classroom statistics and diagnostic scoring of tests
- FREE educator apps
- Phone and email support for students
