## ORDER ONLINE at LC-Ready.com

Log in to your instructor account  
From the dashboard, choose **My Courses**.

Click **Buy a Course**.

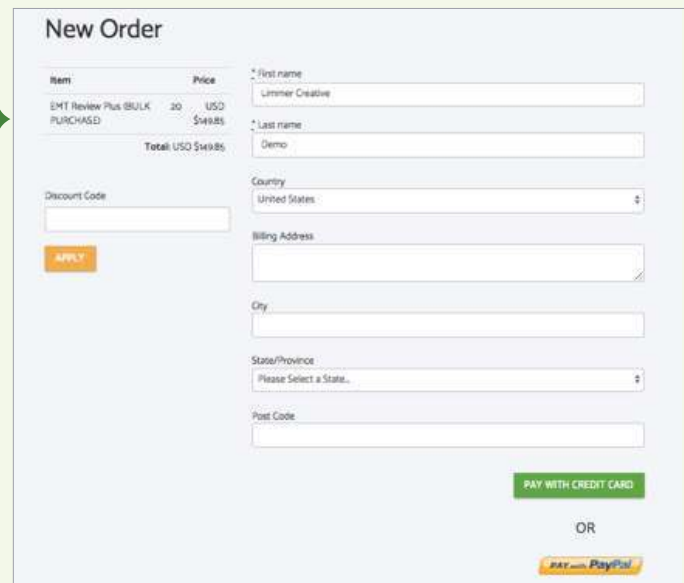

Find your preferred app(s) in the list and click **Add To Cart**.

Update quantity and click **Proceed to Checkout**.

*\*You must enter the number of licenses required (number of students in your course) and click 'update quantity'. A discount will be applied automatically for bulk purchases of five or more apps.*

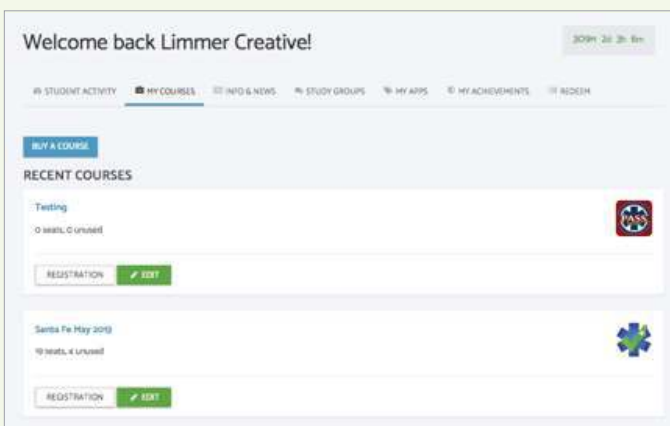

Update your customer information, click **Pay with Credit Card** or **Pay with PayPal** to complete your order.

When buying a course you are purchasing license codes linked to a course that appears on the *My Courses* tab of your instructor dashboard at [LC-Ready.com](http://LC-Ready.com). We offer three easy ways for you or your institution to purchase apps for your next class.

When you purchase a course online via **LC-Ready.com**, you will need to distribute codes to your students. Your students will then create an account at **LC-Ready.com** and redeem the code you've given them to access the app.

1

From the **My Courses** tab on your dashboard, find your course and click **Registration**

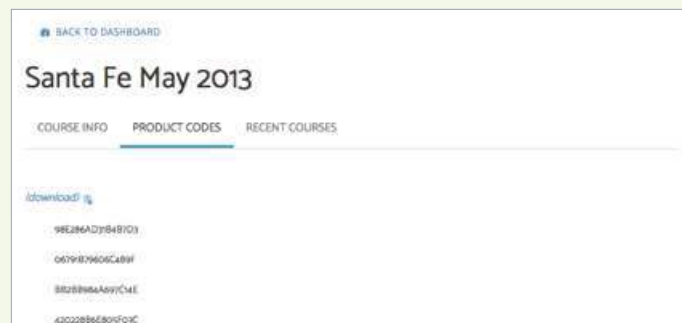

2

Click the **Product Codes** tab

3

View codes or download into a spreadsheet
