EMT Curriculum Correlation Guide

About the resources in this curriculum guide:

EMT Audio Lecture apps

We have two audio lecture series (EMT and AEMT) as well as a pathophysiology audio series for EMTs and AEMTs. These can help students get the equivalent of an insightful lecture or a solid review to supplement coursework. For details and pricing, visit <http://bit.ly/LCReady-Audio>

EMT Review Plus app

The EMT Review Plus app contains over 1,100 items including study cards, review questions and NREMT-style practice exams, with a rationale for every answer. Critical thinking, medical terminology and pathophysiology are included. For details and pricing, visit <https://bit.ly/EMT-Review-App>

Limmer Education website

Our resources are high quality, clinically accurate, and educationally sound, written by the nation's top EMS and allied health experts. Since 2009, our apps have been used in classrooms and by students all over the world. LimmerEducation.com/products
